Welcome to Salon 3SEIN. We are glad that you have found your way to us. We love a communicative atmosphere with one another, good conversations over delicious food and lovely drinks and are delighted that you will be joining us!

Because quality is a matter close to our hearts, we have given a lot of thought to how we can make your time here most enjoyable.

We have deliberately put in a lot of love and show you some tricks of the trade in our salon – and make every effort to pass on this attitude to our team.

All drinks are carefully selected. Our passion is to devise new creations, using homemade ingredients that also turn a true classic into something unique.

Our Salon 3SEIN is a perfect place to go for homemade tapas or if you really feel like going out and having a good time.

You might even find a few new acquaintances at the long table, which could also be the dining table of a large family...
